

DentiMax Shipping Policy

Orders shipped within the United States are normally shipped via United Parcel Service (UPS) three-day delivery, unless specified differently by customers. Shipping prices will vary depending on the shipped items weight, physical size and selected shipping method (overnight, two-day, three-day, or ground). The shipping price will be listed on the invoice. Shipments usually go out the day after the order is received but if we are experiencing a high volume of orders, shipments may be delayed by a few days. DentiMax does not ship on major U.S. holidays and UPS may or may not deliver items on major U.S. Holidays. If you received your order damaged, please contact the shipment carrier to file a claim. Please save all packaging materials and damaged goods before filing your claim. For international shipments, prices are shown in U.S. dollars and DentiMax is not responsible for any possible customs, duties, taxes or brokerage fees that may be applied to your order. If you have any questions concerning our shipping policy, please call us at (800) 704-8494.
